STATE FUNDS

Wilmington has lost $166,000

Rep. Fred F. Cain has written a letter to the Town Manager of Wilmington, saying that $166,000 in surplus funds which he was having transferred to the Town of Wilmington cannot be transferred. The money was a surplus in Chapter 91 accounts, and was to be transferred to improve Mill Brook, where it passes under the Boston & Maine Railroad, and under Main Street.

The letter to the Town Manager bore yesterday's date.

Two years ago Associate Commissioner Malcolm Graf, of the Department of Public Works inspected Mill Brook, and declared that there would be a day when there would be a flood, in that area. He did it in company with Mr. Cain, and also in company of Daniel Gillis, then of the Wilmington Planning Board, now a Selectman.

When Mr. Cain found the surplus money he sought to have it transferred to Wilmington, to take of the problem that Malcolm Graf says is going to happen. In order to accept the money it was necessary that the Town accept an act of the legislature known as Section 29 of Chapter 91 of the General Laws.

This the Town Meeting refused to do, on June 25, in the Special Town Meeting. Rep. Cain explained the article and spoke for it. The Town Manager spoke for it.

The Acting Town Engineer explained it. The publisher of the Town Crier spoke for it.

But the Selectmen and the Finance Committee were against it. Sterling Morris, Town Manager, thought that he had given adequate explaination of the article, but possibly he had not.

The difficulty was that there was a complicated bit of phraseology, describing tidal and non-tidal waters, and there were clauses about the Merrimac and Commecticut Rivers. It was confusing to the voters. Apparently the Selectmen and Finance Committee did not understand.

REP. FRED CAIN: Speaking in Town Meeting for the acceptance of the money.

Later Mrs. Madelyn McKie, of the Wilmington Finance Committee, doing some reasearch on monies lost to the town, discovered the Town of Wilmington had adopted the act in 1962. That seemed to clear the way for the town to accept the money.

An account was printed in the Town Crier, and Rep. Cain sent a copy of that Town Crier to Commissioner Graf.

The answer came back this week - it is necessary to accept that act on an annual basis.

The letter from Commissioner Graf

Dear Representative Cain:
Thank you very much for the news clipping from the "Town Crier" dated July 12, 1973, concerning Chapter 91 work, with particular reference to the need for a bond of indemnity agreement before any stream improvement work is undertaken.

This bond must be voted at the town meeting for each year, and is only to save the Commonwealth harmless in the event that a suit is brought claiming damages resulting from the project, but has nothing to do with damages created by the contract on the project. This latter matter is covered by the contractor's insurance.

Examples, the indemnity agreement would protect the Commonwealth if a suit was filed claiming a lowering of the ground water anywhere in the vicinity; or claiming damage was caused to crops resulting from the projects; or that the water course received more water downstream than had been the case prior to the construction work and was causing damage.

In the past twenty-five years we have undertaken at least 1,500 contracts in cooperation with the communities and cannot recall nor have any records to show that the indemnity agreement was called upon.

As a matter of fact on communities along the coast, particularly the Cape and Martha's Vineyard Island, it is standard practice for the town to vote the bond of indemnity automatically, annually.

I am aware that sometimes wells immediately near that stream being improved, and water levels will be lowered. Only one instance can come to mind where we relocated the well because it would be in the middle of the new channel. In this case we provided funds to relocate the well a short distance, and later it developed that there was excessive iron in the water. We then provided equipment for iron removal at no cost to the owner.

Although we are required to obtain the indemnity agreement, it is extremely doubtful that it would ever have to be used in flew of our long time record.

Very truly yours
Malcolm E. Graf
Associate Commissioner

Playgrounds close Friday

Wilmington Recreation's eight playgrounds close out their most successful year Friday at noon.

This year's eight week schedule has included a variety of leisure offerings for Wilmington's youth. Some of the highlights of the season have been pool days, field trips, inter-playground competition, Soap Box Derby, olympics, Tewksbury-Wilmington field day, Woburn-Wilmington field day, beach day, theatrical production, family night cookouts, fashion show and arts 'n' crafts exhibits, not to mention activities planned and conducted at each playground.

Highlights of the week have been our first children's play, a two act comedy called "Sunshine For the Queen." It was performed on Monday evening at Villanova Hall for the senior citizens and on Tuesday evening in the high school auditorium for the whole town. Our Second Annual Fashion Show and an Arts 'N' Crafts Exhibit was held in the North Intermediate Cafetorium on Wednesday night and a Special Children's Night was held Thursday at Camp 40 Acres.

Much credit should go to the playground leaders and volunteers who have consistently worked beyond expectations for the benefit of the children. Leaders at the various playgrounds are: Glen Road, Joan Bellissimo, Ron Colbert, and Jack Virtus; Shawsheen: Pat Pintrick, Georgie Simmons Jr., and Leslie Spear; Boutwell: Ann Lombard, Debby Manuel and Dennis Murphy; High School: Janet O'Brien, Pat Simmons, and Roy Dudley;

Wildwood: Pat Griffin, Maryann Langone, and Bob "Star" Conlin; Woburn: Dottie Berger, Tom Beaton and David Mather; North: Gloria Smith, Frank Simmons, and Paula Sferrazza; Special Children's Program at Swain School: Bob Scanlon, Bob Aylward, Bill Simmons, Dale McCully, Linda McVicker, Anne London, Nancy Ferguson, Ann Breakey, Leslee Webber, Beth Higley, Debbie Chamberlain, Barbara Coursey, Lois Miller, and Bruce Bishop.

Recreation Director Ron Swasey acknowledges and appreciates extra efforts put forth by these people.

The new Middlesex Fifth District

Governor Sargent of Massachusetts, signed Tuesday evening the controversial redistricting plan, for the Senate of Massachusetts.

Wilmington is now in the Fifth Middlesex District, Senator Ronald MacKenzie. Formerly the Seventh, it was amended to include three wards in Waltham, 2, 3, and 4, Precincts 2 and 3 in Belmont, Precincts 4, 6, 7, 8 and 9 in Lexington, and the Town of Lincoln.

Retained in Senator MacKenzie's District are Bedford, Burlington, Carlisle, Chelmsford and Wilmington.

THE CARDINALS ARE JUST ABOUT TOPS

MARCHING DOWN THE FIELD: The Wilmington Cardinals, one of the top Drum & Bugle Corps, on exhibit, last Sunday, at the Cawley Stadium in Lowell. 124 Cardinals participated in the exhibit, not all of whom are shown in the picture. The Cardinals are shown marching up to the Judges box.

Kindergarten Orientation

ABOVE: DON HAWKES: Displays Tote Trays; John McDevitt displays, along with Al Hambelton, a coat rack.
Below: Robert Mills, of the West Intermediate School shows Jerry Houghton a pegboard, made into something called a Career Cast, Occupational.

Wilmington is slated to have Kindergarten, this fall, as a part of the Public School system, and parents have been invited to an Orientation Meeting, next Tuesday at 8 pm in Villanova Hall.

A typical class room will be set up, and parents will have an opportunity to ask questions.

The kindergarten classes will be held at four locations - in Villanova Hall, in the basement of St. Thomas Church, in the Wilmington Methodist Church, and in St. Dorothy's Church. There will be morning sessions, from am to 11:45 pm, and afternoon sessions from 12:45 pm to 3 pm. After half a year the youngsters will alternate, so as to become accustomed to both morning and afternoon sessions.

Mrs. Jaunita Jackson, Wilmington's Director of Kindergartens, is to be on hand next Tuesday evening at Villanova Hall, to explain the philosophy of the program. Mrs. Jackson is an extremely capable person, with experience on both the state level, and the college level (Tufts University), and Walter Pierce, Superintendent of Schools, feels that Wilmington is fortunate to have a person of her capabilities.

Both Mr. Pierce and Derek Little will be present next Tuesday, to answer questions and take part in the discussions.

The discussions will be solely on kindergartens, and will not be set up to answer questions on student transfers, or questions concerning bus routes. This type of question, and other types of questions concerning specific youngsters are to be handled on August 29th or 30th. The exact date will be announced next Tuesday.

The School Department is still involved in the balancing of classes at all the kindergarten sites, and it is expected that there will have to be future adjustments.

Nine teachers have been engaged, to conduct the kindergarten classes, and there will be nine teacher's aides, students from Northeastern University.

During the summer months Wilmington School Instructors in the manual arts department have been busy making furniture and equipment for the new kindergartens. The list is impressive: 30 easels, 20 toy boxes, 20 coat lockers, 20 tote bags, 20 room dividers, 20 combination black/felt boards, 10 balance beams, 10 puppet or super-market stands, 10 library display stands, etc.

Business agent Jerry Houghton of the School Department told the Town Crier that as a result of the work the schools had saved the sum of $4,000.

FULL-TIME SECRETARY WANTED

Full-time Secretary, 40 hours per week, 52 weeks per year, to work in the office of the Superintendent of Schools, Wilmington. Experience in typing, shorthand, and general office work desirable. Good bookkeeping background required. Call 658-2052 for more information.

SPOTLIGHTERS ASSIST "SUNSHINE FOR THE QUEEN"

The Children's Theater production, "Sunshine for the Queen" was excellently directed by Kevin Field of the Wilmington Recreation Department. "Spotlighters" Carol Cooke acted as assistant directmr and Elaine DePasquale acted as costume and make-up director.

The youngsters in the case are to be credited with getting most of their costumes, as well as helping obtain many of the props.

The presentation was offered free of charge for all Wilmington Senior Citizens on Monday evening at Villanova Hall and for the general public on Tuesday evening at the High School auditorium.

CHILDREN'S THEATRE: With productions on both Monday and Tuesday, L to R: Colette Desharnais, and Diane Desharnais. The King - Phil Desharnais; the Lackey - Ray Hosmer; the Queen, Robin Strob; and the Prince - Sal DePasquale.

VISITORS TO THE SECOND: Annual Back to School Fashion Show, and Arts and Crafts exhibit, at the North Intermediate School, last night, were treated to a sight of these strange animals, in the school lobby, all made by playground children during the past summer.

At upper left is Jerry Giraffe, a product of the North Intermediate playground. At lower left is Timothy Turtle, from the Boutwell School. Timothy is the largest of the animals, about ten feet long.

At upper right is Henrietta, the Happy Hippo, from the High School playground, while Chumley, the passive Koala Bear, hangs on a piece of Eucalyptus tree, from Australia. Chumley, unlike the others, is made of more than paper mache and chicken wire. He also has five hundred cotton swabs, to give him a fluffy appearance, and the skin you love to stroke.

The proceeds of the evening went to the Richard Lipski Memorial Scholarship Fund. Lipski was for two years a Recreation Playground leader at the North Intermediate School.

Wilmington Minute Men want a few good men

The Wilmington Company of Minute Men is seeking a few Good Minute men. Why not? This is where it all began.

Your great grand dad may not have had the opportunity to join, but today's young men certainly have. The Minute Men are looking for men 17 years and older, who would like to relive some of their country's history, and have a good time doing it.

There is to be an Introductory Meeting, on September 13th at the American Legion Hall, on Middlesex Avenue Wilmington. The meeting begins at 8:30 pm. There will be slides and movies, showing the company in action, and there will be answers to questions.

New recruits will be paid a shilling. Yes, a shilling, Colonial Money. Where else can a man have a good time, and be paid for his time too? Those interested who cannot attend may call 658-4135 or 658-8214.

Hospital Notes

During the week, Boy Scouts working toward their various badges for Community Service will leave notices at homes in their neighborhoods offering to pick up any items for the Hospital Auction, rummage sale and Apple Festival. In the event of large articles, notife the Hospital Committee. Help your Scouts and help your Hospital.

Volunteers are needed to mark and sell merchandise before Hospital Day, Sept. 9th. Please call 657-7677 or 657-7575. Check your attic and cellar, if every home had one item to donate, the sale would be fantastic.

Mrs. Kay Barry of 8 Chandler Road, chairman of the second Apple Festival would be happy to accept donations of apple baked goods, taffy apples and cider and she is open to suggestions.

Call Mrs. Barry at 658-4234 to offer your ideas or your donations.

Mr & Mrs Stephen J Parsons

At a June 23rd ceremony in St. Thomas Church, Wilmington, Kathleen A. Cain, daughter of Mr. and Mrs. Fred D. Cain of Wilmington, became the bride of Stephen J. Parsons, son of Mr. and Mrs. Walter Parsons, also of Wilmington. Reverend Francis Mackin officiated at the eleven o'clock ceremony.

The bride, given in marriage by her father, wore a gown of polyester organza fashioned with a high neck peek-a-boo yoke and bishop sleeves trimmed with venise lace. Matching lace encircled the demi-waist, full skirt and attached chapel train. Her illusion veil fell from a headpiece of venice lace. She carried her mother's wedding misslewith stephanotis and English ivy.

Patricia Cain was her sister's maid of honor. She wore a yellow voile gown, gibson girl style with picture hat.

Identically dressed in pastel colors were her bridesmaids: Martha McIntosh of Lexington, Diane Irwin of Tewksbury, Mary Cote of Wilmington, and Pauline Spanks, cousin of the bride, of Tewksbury.

The flower girl was Julie Ann Cain, sister of the bride.

For his best man, the bridegroom chose Fred D. Cain, brother of the bride. The ushers were William Couture of Wakefield, Edward Ward of Wilmington, Earle Ellis of Wilmington, and Joseph Botelho of Lawrence.

A reception was held at the Casa Di Fior in Wilmington.

Ann Butters, cousin of the bride, attended the gurxest book.

Following a wedding trip to the Pocono's, the couple will reside in Lowell.

New books at Wilmington Library

HOW TO HOLD A GARAGE SALE byJames M. Ullman is dedicated to those untold millions who have ventured into the thriving market in household goods by posting that magic SALE sign at their residences. This book contains hints about organizing, pricing, advertising and security. It will be invaluable to the beginner and even old hands will welcome its clear and helpful advice.

RIDE FREE, DRIVE FREE by W. H. O'Connell proposes a plan to solve our mass transit problems. America is known as a nation of mobility and yet as the 1970's progress, it becomes increasingly impossible to get anywhere. Using the Robin Hood principle, a community would simultaneously collect fees from people who continue to drive to work and use the money to subsidize mass transit during rush-hour periods. Specific examples of the plan are worked out, making this book not only imaginative but practical.

MOTHER'S DAY IS OVER by Shirley Radl. Do you feel you are a total failure when you lose your temper with the children,when dinner isn't ready on time, and when you are too tired to do anything but fall into bed? If so then this book is for you. In a friendly and often funny way, Mrs. Radl consoles mothers who feel that they aren't living up to that TV commercial image of the perfect wife and mother.

THE HEALTH INSURANCE RACKET AND HOW TO BEAT IT by John E. Gregg. This book shows the consumer how to avoid the pitfalls of the present health insurance system and how to obtain the most health insurance protection for the premium dollar.

THE SECOND CRASH by Charles D. Ellis. Subtitled "How the stock market went the 1929 route in 1970," this novel chronicles a panic on Wall Street that could have happened. In his portraits of the customers, the wheeler-dealers, the brokers, the fat cats and the victims living through the crash they brought on themselves, Ellis has written the best, the funniest, and the scariest stock market book this year.

TOO FEW FOR DRUMS by R. F. Delderfield. Around the year 1810, a 19-year-old ensign finds himself and his men separated from the main port of the British army and trapped behind the French lines. The excitement of battle, the courage of desperate men, and the tragedy of death are grippingly portrayed as the young soldier matures under fire.

STRANGERS AND JOURNEYS by Maurice Shadbolt. One of the best current New Zealand writers has written a large sweeping novel dealing with New Zealand in the forty years since the end of World War II. The main concern of this social and political novel is the lives of two men and their two sons inextricably bound together by the fates.

STAND LIKE MEN by James Sherburne. In this powerful novel of the Kentucky coal war of 1931, Sherburne tells of the absentee owners and hired gun thugs, of soup kitchens and country stores. It is the story of the Hord family, who gave up their farm to become involved in the starvation and violence of the miner's life.

FOR ALL THE WRONG REASONS by JohnNeufeld. This new novel of teenage marriage tells the story of Tish Davies and Peter McSweeney, who get married while still in high school. Full of the morals and manners of today's youth, this is a story to make readers laugh out loud, smile warmly, frown in thought, and perhaps shed a tear or two.

The Cawley Stadium

Photographs of the Cardinals, in this week's issue of the Town Crier were taken in Cawley Stadium, in Lowell. It is a large stadium, seating perhaps 10,000, with concrete seats on the westerly side for about 3,000. This section of the stadium does not show in the photographs.

The Cardinals are using the Cawler Stadium because they get a bigger crowd then when they exhibited in Wilmington, and the cost is considerably less.

WILMINGTON GRANGE TO INSTALL SEPT. 12

Installation of officers for Wilmington Grange 268 is to be on September 12, in the Grange Hall on Bay Street. The installation is to begin at 8 pm.

William Poirer of Chandler Road is to be installed as Master. The Installing Master will be Miss Sally Craven and her suite, from Dunstable. It will be an open meeting, so that friends and relatives may attend.

There is to be a covered dish supper at 6:30 pm. Reservations may be made by calling 658-8064 or 658-2684. Refreshments are to be served after the meeting.

SANCHEZ: Maria Christina, fourth child and third daughter of Mr. and Mrs. Albert Sanchez, 36 Farrwood Drive, Andover, on August 14 at Winchester Hospital.

Grandparents include Mr. and Mrs. Leoncio Sanchez of Wilmington and Mrs. Concetta DeRose of Andover.

To fill a hole?

There was more, perhaps, than met the eye, in the discussion in the Planning Board, a week ago, of a "new" road for the Jackson Brothers, in North Wilmington.

Readers will remember that that firm, which has earned an enviable reputation for fair dealing, has had trouble because of the discovery of a hole, over 20 feet deep, in a swamp, where a road was to be built. At the insistance of the Planning Board they explored for other means of ingress and egress in their new development, which included conversations about constructing a new road through to Dorothy Avenue.

The reported costs were terrific. To fill the hole and build a road would have cost a quarter of a million, and to buy two homes and build a road to Dorothy Avenue would have meant a net cost of over $100 thousand.

The attention of the Planning Board, and of nearly everyone else, in the hearing of a week ago, was centered on the proposed roads, for that was the subject matter. The hole in the peat bog was merely a passing incident.

But to a few people on Dorothy Avenue it was more than that. One can guess that they are worried about it - that perhaps a child may be drowned someday. Not once have they said so, to this paper's knowledge, but they did speak of the hole and in a paper submitted to the Planning Board there was talk of prospective terrific costs. Would the terrific costs be from the filling of that hole? Can the hole be filled - by the Jackson Brothers - or by the town?

To be practical the answer is No.

The Planning Board, last year, put the Jackson Brothers into a position of giving land to the town, as they do with all new housing developments. That land was given to the Conservation Commission, and is alongside the railroad, in North Wilmington. part of the hole - possibly the biggest part, is now owned by the Conservation Commission.

If there is danger, and if the Jackson Brothers were to fill their portion of the peat bog where that hole is, the town too, would then have to fill their portion of the hole. A quarter of a million, maybe more, for the Jackson Brothers, and several million, possibly, for the town?

It is only fair to observe that the Jackson Brothers are engaged in the erection of a permanent barricade, to that portion of the hole that is on their land.

It is fair to observe too, that there is no history of anyone ever being drowned in such a peat bog hole in Wilmington - and there are many. The Hundred Acre Meadow, down by the Ipswich River, has many such holes for instance.

People just don't go wading into that type of swamp. It is too uninviting.

The paper which was submitted by the people of Dorothy Avenue, and of which a copy was brought into the selectmen's meeting by a selectman, demanded that the Jackson Brothers be stopped from working in their new project. Such a move would be fraught with all sorts of legal complications. It was not only impossible, it wasn't even common sense.

That selectman, too, is not a person to take part in his. He has a history of (1) personal animosity against the Jackson Brothers, and (2) personal animosity against the Chairman of the Planning Board. In the case of the Jackson Brothers, he has appeared three times in the Planning Board meetings, trying to have that firm stopped from doing work. On one occasion he asked for and received an Executive Meeting. Afterwards the Planning Board members were sorry they had allowed it.

If, as it seems, there are people on Dorothy Avenue who are concerned about that hole in the peat bog the suggestion is made that they see the Town Manager, and talk over the problem with that gentleman.

That's what he is paid for - to discuss problems affecting the town, in a non-political way, and possibly to find answers.

SO THIS IS A PICTURE STOP?

A few weeks ago the Town Crier wrote of the projected trip to New Hampshire of the Mystic Valley Railway Society, and how the train would stop at Wilmington, and maybe North Wilmington.

The EAstern Slopes Express stopped, Saturday morning at North Wilmington, and the passengers got off because it was labeled a "photostop." The writer of that phrase had in mind that the stillborn Mystic Valley Railroad was to have a terminus in North Wilmington.

Abovt - disappointed passengers find nothing to photograph. It was the first time a passenger train had stopped at North Wilmington in about fifteen years.

SOFTBALL TO BENEFIT MUSCULAR DYSTROPHY

The 1973 Tewksbury and Wilmington softball league champions will face each other, and the Tewksbury firefighters and Tewksbury State Hospital nurses softball teams will also play aginst each other August 26 at the Livingston Street Recreation Area in Tewksbury. Proceeds will go to the muscular dystrophy campaign.

The firefighters and hospital nurses will begin a seven inning game at 6:30 p.m. Teddy's Bears, the Tewksbury champs, and the Silver Lake Pharmacy team, Wilmington's, will begin a seven inning game at 8 p.m.

TO FACE THE FUTURE WITHOUT FEAR

Thou knowest, Father, the things of which we are afraid - the terror by night, the arrow by day that takes us unawares and often finds us without a vital, ready faith.

Help us to remember, O Christ, that Thou are victorious - Christus Victor - reigning over all; that in due time, in Thine own good time, Thou wilt work all things together for good to them that love Thee, who are called according to Thy purpose.

May we find our refuge in that regnant faith, and so face the future without fear. Give to us Thy peace, through Jesus Christ, our Lord.

Amen

Mrs David G Anderson

Friends and relatives of Mary Pat DuBois and David G. Anderson participated in the Wedding Mass composed by the couple on August 11 at St. Thomas of Villanova Church in Wilmington, Mass. Reverend Francis W. Mackin was the celebrant of the Mass and united the couple in marriage, after which a reception was held in the Colonial Inn in Wakefield.

The bride, given in marriage by her father, wore a gown of silk organza and illusion with a veneice lace overlay on the bodice, trailing onto the skirt, and encircling the train. Her cathedral length veil cascaded out of a headpiece of veneice lace which was decorated with the seed pearls used by both the mother and the grandmother of the bride at their weddings. The bridal bouquet was a small cascade of white roses and glamilias.

Margaret Ann DuBois of New York, sister of the bride, was her maid of honor. Bridesmaids included Theresa DuBois, sister of the bride; Mary Helen Dahill, of South Yarmouth, cousin of the bride; and Mrs. Janice Jason of Reading All wore identical gowns of large navy and white plaid organdy with navy velvet belts. Their large white garden hats were banded in matching navy ribbons which were floor length. Each carried one large blue and white glaelia.

Dr. William Anderson of St. Louis Park, Minnesota was his brother's best man. Ushers were Robert Anderson of Cohoes, New York, brother of the groom; Roger Tremblay of Boston; and James DuBois, brother of the bride.

The bride's mother wore a shrimp colored gown and one white glamilia. Mrs. Anderson chose a nile green gown and also wore one white glamelia.

Music was provided by Sister Cathie Chasse SSJ and Sister Jean Sear SSJ from the College of Our Lady of the Elms. James DuBois, brother of the bride, sang a solo.

The bride is the daughter of Mr. and Mrs. Victor A. DuBois of Wilmington and Mattapoisett, and was graduated from the College of Our Lady of the Elms and is listed in Who's Who Among American Colleges and Universities. She will teach in Indian Orchard.

Mr. Anderson is the son of Mr. and Mrs. William Anderson of Framingham Center. He was graduated from Worcester Junior College and received his degree from Western New England College where he was a member of the golf team. He is employed as credit manager for Woolco Co. Inc.

After a trip to Wentworth-by-the-Sea, the couple will make their home in Southwick, Mass.

The Cardinals are just about Tops

DRUMS AND HORNS: Some of the 124 members of the Wilmington Cardinals who participated in their exhibition, Sunday, at the Cawley Stadium in Lowell. Shown are parts of the Drum and Bugle sections. Their exhibition surpassed that of any of the contestants, in the competition sponsored by the Wilmington corps.

THE FIFTH MAINE REGIMENT: Drum & Bugle Corps, named after a famous regiment of Civil War volunteers, took First Prize in Class A, Sunday. Clad in Civil War uniforms, and wearing the insignia of Lieutenant Colonels, Danny Scott and Pat Moloney accept the winners cup from Rachel Ann Moffat, daughter of Jack Moffat, who is right behind her. The cup was donated by the Tewksbury - Wilmington Elks.

Steve Dowling, Assistant Drum Major, and Commander Robert Handley of the Nee-Ellsworth Post VFW are inthe background. The Nee-Ellsworth post donated most of the cups that were awarded.

EXCHANGE OF SALUTES: Is a feature of every competition. In this exchange the 5th Maine Regiment is exchanging salutes with Assistant Drum Major Steve Dowling and Color Guard Captain Susan Hinckley.

THE CARDINALS HAVE A NEW FLAG: Donated by the Wilmington Police Association. President Bernard Nally is shown in line with Color Bearers Susan Fitzpatrick, Lynn Sylvester and Cheryl Lutz.

Watching them, for instance, in a Memorial Day parade might be thrilling - but it is only a little bit of the story.

They work hard. They drill hard. They go on tours. Theirs is no easy way of life.

It is, in one sense, the competition that counts - that makes better men and women out of the youngsters who are in those bands and corps. There is a lot of competition to be found, in Massachusetts.

But take the Fifth Maine Regiment, a drum and bugle corps from Portland, Maine. They don't have any competition, at least local competition. The Fifth Regiment, which dresses in uniforms of the Civil War, has to travel about ninety miles just to find another corps with which it may compete. This was the corps that took First Prize, in Class A, at the Cawley Stadium, Sunday.

They had to be good, to win first prize. They were up against tough competition. Tough, hard competition.

Of course the Cardinals, being the hosts, were not in the competition. They put on their exhibition after the competition was all over.

124 kids, drilled to perfection. There were 48 Color Carriers. There were 52 horns. There were 24 drums.

The Cardinals play music by Stan Kenton. Stan Kenton is an American composer - a jazz composer, with an off-beat type of composition that is not easy to play.

Some of the older folk never get to appreciate music by Kenton. Others, if they listen to it played expertly - as by the Cardinals, get to appreciate it more and more. Music by Kenton really has to be heard, and it really grows on an individual.

That's what the Cardinals played, Sunday. Their Drum Major was Jimmy Galvin, of Beverly.

Jimmy has an understudy - an Assistant Drum Major. He is 12 year old Steve Dowling of Billerica. There are those who say that Steve will be another Silky Southmayd, one of these days - with a Drum & Bugle Corps like the Cardinals.

And maybe the entire corps of the Cardinals will be in the Memorial Day parade, in Wilmington, next year.

Cardinals took 7 firsts, and 6 seconds.

7 were Out-of-State Invitationals. Of these the Cardinals took 3 firsts and 3 seconds. In one they came in fifth.

In the US Open, a National contest, last week in Ohio there were 46 of the top Drum & Bugle corps in the United States.

The Cardinals were in the top half - they placed 18th.

Perhaps a person has to be a Drum & Bugle Corps Regular, to really appreciate what the kids do.

Dynamics Reasearch Earnings 29 cents

Dynamics Research, of Wilmington, on Concord Street, has announced net income of $130,000, equal to 29 cents a share, for the six months ended June 30, 1073, compared to a net loss of $112,000, or 25 cents a share, for the same period in 1972.

Sales in the first half of 1973 increased 86 percent to $3,876,000 from $2,077,000 in the comparable period of a year ago.

John S. Anderegg, Jr., president, indicated that DRC's return to profitability could be attributed to widespread customer acceptance of new developments in products and services, plus expansion into new market areas. The rate of new orders, he said, is sustaining our optimism for the final half of the year.

HOME OWNERS CORNER

by Roger

Do you know that your roof is an important factor in the hot weather overheating of your house? Dark colors absorb more radiant heat than white or light colors.

Outside surfaces of a house finished in dark colors become more highly heated on a summer day than those with a white or light finish. So if you are choosing paint or shingles, keep that in mind.

Also the passage of heat into the house can be checked by insulation.

There's no problem finding the tools you need when you come to Sweezey Home Courtesy Center, 615 Main St., 658-2051. See the basic workshop tools and machines by Rockwell on display. These include a 10" radial saw, a 10" table saw, and a sander. Open daily from 8 am to 5 pm. Air conditioned for your comfort.

Helpful Hint: Mineral oil gives new lift to stainless steel. apply after washing.

It used to be the Wilmington Crusaders, and the Beverly Cardinals. On May 13th of this year the two Drum & Bugle Corps merged. It was a merger that has become - well, almost historic. They are just about the best, in the Commonwealth of Massachusetts.

Sunday there was a Drum & Bugle Corps competition, in the Cawley Stadium, in Lowell. It was the 10th annual competition sponsored by the Wilmington Crusaders, and their last.

The competition had to be sponsored by the Crusaders, because of previous agreements. But the last act, the Exhibition Drill by the host corps, was a presentation by the Cardinals. It was worth watching all the other teams and corps perform, - just to see the Cardinals do their drill, at the end of the afternoon's performance.

It is like Harold Melzar and the Wilmington Water Department. Over the years Mr. Melzar would never say that the Wilmington Water was the best in the state. He would modestly say it was second best, and then add that he knew of no place with better water.

Perhaps the Cardinals are not the top drum & bugle corps in Massachusetts. Perhaps they are just second best. Having said that the reader is challenged to go find one that is better.

They have been in 21 contests, so far, this summer.

13 were local circuit shows. The

Let's Talk Real Estate
by Alan E. Fenton, Realtor

You are expected to find out for yourself whether or not the new home you purchase is of good construction. This is no easy task, as you probably know.
Always ask questions, and ask them in detail, before you buy. And did you know that the seller of property is obligated to tell you if the property has hidden defects which cannot be discovered by inspection.
It is sometimes helpful as well to find out what the building code is in your prospective buying area.
The friendly staff at A & M Fenton Realty, Inc., 104 Lowell St., Rte. 129, Wilmington, 658-3221, 944-6457 make it their business to be helpful in dealing with any real estate problems or questions you may have. If you are looking for a home or selling a home, trust us to provide honest, professional service. Hours: 9 to 5, seven days; evenings by appointment.
Helpful Hint: Make sure any kitchen you think of calling your own has adequate lighting and ventilation.

Bits & Pieces

Some Town Crier readers may recall a story of a couple summers past about the pickerel fishing, in a pond off Ainsworth Road, Wilmington. The pond is a left-over from an old gravel pit, and it all happens to be private property.

There were pickerel caught in that pond up to twenty-seven inches in length. Recently the area became the site of a small industrial set-up.

But there are still fish there. Dana Roche, a Wilmington high schooler caught a 12 inch bass there - just the other day.

Remember the Surety Bank & Trust? There used to be a Surety Bank & Trust in the Tewksbury Shopping Center - but it went bust.

Two men who had an account in there were Tewksbury Rotatians. They had an account for the Rotary Club, with a total of $30.

A week or two ago John Lyons and John MacLellan, the Tewksbury Rotarians received a letter from the Chicago Federal Reserve Bank. They were almost afraid to open it.

When they did they found they had a check for $9 - on account of that $30 account of several years ago. Should they weep?

Dr. and Mrs. Ernest Wallent of Middlesex, Wilmington will observe their 17th wedding anniversary on September 9th.

Arthur Harding of Chapman Ave., Wilmington, planning board chairman, is currently a patient at Phillips House, Mass. General. He is recuperating following surgery.

Marine Sgt. Frederick P. Unsworth, husband of the former Miss Dale R. Szurley of 12 Guile Ave., North Tewksbury, has reported for duty at the Marine Corps Air Station at Yuma, Arizone. A former student of Wakefield High School, he joined the Marine Corps in December of 1970.

PUBLIC ANNOUNCEMENT

The Wilmington Schools recently announced a free meal policy for school children unable to pay the full price for meals served in schools under the National School Lunch and School Breakfast Program. Local school officials have adopted the following family size-income criteria for use in determining eligibility.

Children from families whose income is at or below those shown are eligible for meals free. In addition, families not meeting this criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster of casualty losses are urged to apply.

They may do so by filling in the application forms sent home with a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year. In certain cases foster children are eligible for free meals regardless of your family income. If you have such children living with you and you wish to apply for such meals for them, please file a separate application for each child.

Under the provision of the police the Superintendent of Schools will review all applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may make a request either orally or in writing for a hearing to appeal the decision to Walter H. Pierce, Superintendent, 159 Church Street, Wilmington, Mass., 01887.

Hearing procedures are outlined in the police and a complete copy of the policy is on file in the office of the superintendant of schools where it may be reviewed by any interested party.

The policy also provides that there will be no identification and/or discrimination against any child because of his race, sex, color, national origin, or ineligibility to pay the full price of the meal.

CAMP MERRYMEETING FINISHES SESSION

Camp Merrymeeting, in Andover,one of the Merrimack River Girl Scout day camps, finished its third session last week. Camp director Mrs. Chester Stanhope and assistant director Mrs. John Foley are pleased to announce that it has been a very successful day camp season.

Third session's oldest Unit Cadettes, led by Mrs. Thomas Kilday and Mrs. Berton Willard, did some beanhole and emu cooking. They also planned a Cadette Challenge on bicycling. The Junior units led by Mrs. Jerimah Hurley, Mrs. William Frost, Mrs. Joseph Hartka, and Mrs. Dedi Metayer, along with 12 Program Aides, went out on a field trip to the House of the Seven Gables in Salem.

The Brownie units, led by Mrs. John Willis, Mrs. Kenneth Brown, Miss Jo Ann Mac Quarrie and Miss Arnie Potvin, along with the Fly-Up unit led by Mrs. James Murphy and Mrs. Paul Nolan, remained in camp to participate in the Nature Crafts, Archery, and Waterfront programs.

CAR CORNER

by Vern Johnson

Your emergency brake may operate only your rear wheels or it may operate on the drive shaft. Make sure you know how yours works and use it!

Caution demands the use of emergency brakes in parking and in hill starts and stops. Never take the chance of rolling and creating a traffic hazard.

Have your emergency brake checked from time to time to make sure it continues to function easily and consistently. However, the emergency brake is absolutely no good without you - you have to remember to use it!

And remember to bring your car to **Wilmington Ford, 275** Main St., Rte. 38, Wilmington, 6586800 for superior service. Our service and parts department, one of the area's most modern and complete, is staffed by expert mechanics who *have been with us many years. We also have one of the* largest inventories of new and A-1 used cars and trucks in New England. Hours: service, 7:30-9 Mon-Fri; 7:30-5 Sat; sales, 9-10 Mon-Fri; 8-6 Sat.

Helpful Hint: If your foot brakes squeal, have them checked: noise means they need attention.

YOUR Pharmacist SPEAKS

by Louie

In 1623 a merchant named Leeuwenhoek was born in Holland. In his spare time he ground lenses and mounted them in metal frames to see if things would look larger than they actually were.

He looked at anything and everything until one day he tried looking at a drop of water. He discovered that there were organisms in the water as well as in many other substances.

He recognized streptococcus, staphy-lococcus, bacillus. He also discovered that these organisms were killed by heat.

Little did he suspect that his discoveries would be the basis of much of modern medical study.

Health and beauty aids are among the many things that await you when you shop at Silver Lake Pharmacy, 52 Main St., Wilmington. Our complete first aid department features the newest and finest products in the medical profession. Whitman and Candy Cupboard chocolates. Phone 658-4617 for free prescription delivery service.

Helpful Hint: Mend clothes before you wash them. Then holes will not enlarge.

SOFTBALL

W.R.S.L. DAY BY DAY

Tue. Aug. 14...In the opening game of the semi-finals at Town Park, Buzzy Couillard spun a neat two hit shutout as Sweetheart blanked Brewsters, 5-0. Nick Katramados doubled in the three run first inning to score Dan O'Connell with the first and winning run. Losing hurler Ken Alley yeilded only four hits to the Plastic Company, but the hits came at key times to drive runs in. Brewsters stranded a total of nine men on base, and this was the difference.....Silver Lake Pharmacy notched six runs in the first frame on three hits and four errors and hung on to beat Jay-Dee, 10-2. George Pratt singled to score Joe Langone with what proved to be the winning run in the six run outburst. Dave Rumson allowed only five hits in pitching the win, and Joe Gilligan took the loss for the Builders.

Thurs. Aug. 16...Sweetheart took their second game in a row from Brewsters and thus eliminated them from the playoffs. Sweetheart got four runs in the fourth inning on a bases loaded triple by Ed Doherty and a sacrifice fly. Brewsters tied it up in the fifth inning, only to have the Plastics Company take the lead in the top of the seventh. Steve Lein singled with the bases loaded to score winning hurler Buzzy Couillard and give Sweetheart a 7-5 lead. Brewsters got one run in the last of the seventh, but the rally fell short and Sweetheart won, 7-6. Ken Alley took the loss for Brewsters...Silver Lake notched seven runs in the top of the seventh inning to knock off a 9-7 Jay-Dee lead and held on to the margin to beat the Builders, 14-11. Paul Lyman dropped a bunt single to score Ed Harrison from third base with the game winning run in the seventh. Jay-Dee slated two runs in the last half of the seventh, but the last ditch rally ended with a fly out with bases full. Dave Rumson yeilded 17 hits in hurling the win, and Joe Gilligan took the loss.

Sun. Aug. 19...In the opening game of the finals, Sweetheart edged Silver Lake, 7-6. Nick Katramados wacked a three run four bagger to right field to open the flood gates in the first inning, but the lead was quickly diminished and the game was tied in the second at three. After Dan O'Connell's sacrifice fly made it 4-3, Nick slammed his second round tripper, also worth three runs, to drive in the game winning run. Buzzy Couillard allowed five hits in recording the win, and Dave Rumson took the loss...Silver Lake gained a split in the double header by slaughtering Sweetheart, 20-4. Paul Lyman tripled to score Frank Ingram with the fifth and what proved to be the game winning run. Buzzy Couillard pitched 4 2/3 innings allowing 14 hits to take the loss, and Dave Rumson hurled the win.

Tue. Aug. 21...Sweetheart Plastics romped over Silver Lake Pharmacy, 12-1 behind the four-hit pitching of Buzzy Couillard to clinch the playoff crown.

TEWKSBURY SOFTBALL LEAGUE

The playoffs opened in the Tewksbury Softball League with Antonelli's blasting Sullivan's 9-4 at the Livingston Street courts. Jim Brooks got the victory. His pitching was backed by the solid hitting of Pete Adams and Jack Whitman.

In the regular season game, the Warriors beat O'Brien's 4-0. Jerry McAnerey continued his fine pitching with a three hit shutout. He also helped his own cause with a pair of doubles. Dave Dauyotas and Mark Bullock both drove in two runs.

The Warriors are the talk of the league due to their fine play of late. The expansion club continued its drive toward the playoffs with a 21-3 victory over a hapless Wang Lab club at the Livingston Street courts. It was the sixth win in a row for the Warriors.

Gary Bosteels pitchedthe win for the Warriors. Everyone contributed to the Warrior attack. Solid hitting Mark Bulloch collected five r.b.i.'s together with his four hits. Steve Powzer and Doug Pierce had three r.b.i.'s each for the Warriors. The win finally clutched a playoff berth for the scrappy Warriors.

Sunday, Aug. 19-The Warriors nipped Sager's in a real slugfest here at the Livingston Street courts 10-9.The Warriors now advance in the Eastern Division playoffs. Dave Dayotas and Chet Flynn once again paced a solid Warrior attack.

Monday, Aug. 20-An obviously superior Jack's Hawks club eliminated a game group of Warriors by a 10-0 score. The veteran Hawks were led by the hitting of Micky Sullivan and the brilliant hurling of Jim Murphy.

The playoffs continue throughout the week here at the Livingston Street courts. The favorite at this point is the only undefeated team in Tewksbury Softball League history-Teddy's Bears. The club enters the playoffs with a perfect 20-0 record

WILMINGTON REC SUMMER LEAGUES

GIRLS' SOFTBALL

Thu. Aug. 16...The Recs "A" squad traveled to Burlington in an attempt to snap their nine game losing skein, but to no avail as they were whipped, 20-4. Carol Lombard led the Recs offensive attack with three singles, while Debbie Bent chipped in with a brace of hits. Laurie Miller (0-4) suffered her fourth straight pitching loss allowing 15 hits and all 20 Burlington runs.

Fri. Aug 17...Despite a five run outburst in the top of the first inning, the Recs lost their eleventh straight, 19-9 to Billerica. A bases loaded single by Ann Gillis knocked in two runs, while singles by Linda Hardy and Kathy Burke scored the other three runs in the biggest inning for the Recs all season. The Bobcats came right back to score an impressive win and thus clinched third place in the league standings.

The Recs scored three times in the fourth frame on singles by MaryEllen O'Reilly, Debbie Bent, Laurie Miller and Pam Chase, but it was not enough as the Bobcats slammed 17 hits off the pitching of Carol Lombard (0-5) to provide the final margin of victory. Laurie Miller went four for four in the game to lead the 16 hit Wilmington attack, their best to date. Pam Chase chipped in with three hits, while Linda Hardy and Ann Gillis had two singles each.

The "B" team traveled to Tewksbury and the 11 and 12 old girls lost by a score of 17-7. The Wilmington girls led for the first four innings, 7-6, but in the latter stages of the contest the roof fell in and as a result the Recs suffered their fourth straight loss. Robin Ready led the Wilmington offense with a pair of hits.

The Intermediate Girls whipped the Lowell Flying Beavers, 11-1 behind the hurling of Patti Griffin.

GIRLS' ICE HOCKEY

Tue. Aug 14...The Red Barons upset the Rowdy Blac,s 2-1 behind the stout goal tending of Cindy Laquidara and the two goal scoring performance of Joan Welch. Tammy Oliveira fired home her 25th seasonal goal late in the final frame to avert a Black shutout.

In the other contest, the Broadey Bunch edged the first place Nuggets, 1-0 as Cindy Laquidara turned another fine net minding performance. Janice Gennetti scored the only goal of the game at 9:24 of the opening frame beating Kathy Bristol from five feet out.

Thu. Aug 16...The Gold Nuggets snapped its short two game losing skein with a 4-0 triumph over the Red Barons in the feature game of the evening's twin bill at the Youth Ice Arena. Doria McMillan scored two goals within a minute in the opening moments of the third stanza to dissolve a scoreless tie. Doria's game winner came at 2:55 and then at 3:45 she converted a Cheryl Jensen pass to take the starch away from the hustling Barons. Jensen scored her eighth and Janet Carlson her 17th to close out the Nugget scoring later in the stanza.

Meanwhile, the Rowdy Blacks kept pace with the league leaders, posting a 3-0 whitewash over the Broadey Bunch. Lori McNabb tallied her 15th and 16th seasonal goals in the opening period and that was all the Blacks needed. Tammy Oliveira scored her 26th at 10:30 of the middle frame to complete the margin of victory.

BOYS' SOFTBALL

Mon. Aug. 20...In the opening round of the best two of three semi-final playoffs, FBR and MaGoon's swept to doubleheader wins over Jo-Appes and DRO respectively. In the opening contest FBR topped Jo-Appes, 5-2, behind the pitching of Bob Knowlton, who fired a five hitter and the home run hitting of Jim Connors and Barry Foster. Mike Amicangilo and Dave Carrozzo belted solo homers for the losers.

FBR came right back in the second game to score three runs in the bottom of the first inning on the strength of Foster's two run homer and went on to knock Jo-Appes out of the playoffs, 4-1. Bob Knowlton again pitched a strong five hitter, while Jay Quinn took the loss.

MaGoon's pulled the upset of the season sweeping to their twin killing of the DRO Athletics behind the pitching of Brian Tighe and the slugging of Tiger Caira. Tighe spun a five hitter in the opener as the Tim Nee, Rick McCully and Caira (2 for 3 rbi's) all belted homers to lead MaGoon to an 8-0 triumph. Tom Tower took the loss as his teamates could not muster the key hit as the DRO squad left the bases loaded in every inning.

In the nite cap DRO jumped on Tighe for five runs in the second frame and led, 5-2 after three frames. Each club picked up a run in the fourth and entering the last of the sixth DRO led, 6-3. But, the roof fell in for the regular season champs as Caira was walked intentionally with the bases loaded and two outs to make the score, 6-4. Dave Cain then promptly apoined the A's strategy by singling to center to tie the score and then Jim Buck slammed the next pitch to right center to drive in Caira with the winning run. Kris Hinxman picked up the win with 4 2/3 innings of four hit relief pitching, while Steve Tsihlis was the hard luck loser.

Girl's Northwest Softball Tournament

Wilmington eliminated in Softball Tourney

In the opening round of the first Annual Girls' Northwest Softball League Tournament at Town Park Sunday afternoon, Burlington, Chelmsford and Woburn were victorious.

The host club, our own Wilmington Recs, were defeated by Burlington 19-3 in the initial contest of the afternoon's triple header. Carol Lombard and Debbie Bent shared the pitching chores for Coach Mark Payne's Club, while Debbie Toland hurled a five hitter for Burlington to gain the victory. Linda Shramik led the winners with three hits, including a pair of triples and three rbi's, while teamates Amy Feingold and Barbara White chipped in with two hits each. Laura Miller had a pair of hits for Wilmington.

In the other two quarter-final games, Chelmsford topped Billerica, 7-4 behind the three hit pitching of Elaine Lupian and Woburn crushed Andover, 23-6. Joan Collins led the Chelmsford attack with three hits and two runs scored, while Joanne Newcombe and Sue Corman had rbi singles in a big five run second inning which game Chelmsford a commanding 7-0 lead at the time. Debbie Higgins led the Bobcats attack with two hits, including a bases loaded triple in the fifth inning.

Woburn exploded for 10 runs in the second frame and went on to score at will in defeating Andover by a wide margin. Barbara Freeman and Nancy Caterino had three hits each for Woburn to pace a 15 hit assault off the servings of Carolyn Collins and Patty McHale.

Mary-Jo McLarney had two hits and a pair of rbi's for Andover.

Tuesday night St. Theresa's of Methuen and Woburn tangle in a semi-final clash, while last night Burlington and Chelmsford squared off at Town Park. The championship finale will take place tomorrow night at Town Park at 7:30. In the preliminary contest the Wilmington Recs will host their mothers in a fun-for-all game.

D'AVANZO PACES G-L ALL STARS

The Greater-Lowell All-Stars romped over the Lowell Stars, 33-0 on Tuesday night in the 24th Annual affair at Cawley Stadium. Tewksbury's Charlie D'Avanzo was voted the MVP of the contest on the strength of 11 carries for 74 yards and a td.

The initial score of the game was set up by a fumble recovery by Wilmington's Paul Olson at the Lowell five yard line. Three plays later Darrel Schwartz of Acton plunged into the end zone and Coach Bellissimo's eleven were off and running.

Late in the second period G-L drove from the Lowell 37 to the 10 in six plays and on a second and ten play, quarter back Steve Coursey of Wilmington fired a td pass to Concord's Jeff Hollencamp for the second G-L score and a 12-0 lead.

Nick Nestor of Billerica opened the second half with a 49 yard scamper, on the initial play from scrimmage, to the Lowell 28. Five plays later, with D'Avanzo carrying the ball twice, the G-L eleven scored on a quarterback sneak by Coursey. The PAT kick was wide.

Moments later Wilmington's Rick Barry recovered another errant Lowell handoff and the Greater Lowell boys had the ball in good field position at the Lowell 37.

Five plays later Bill Haberstadt fired a 17 yard td pass to D'Avanzo. The two point conversion was successful and the G-L lead was 26-0.

The final score came with 1:08 left to play, when Nestor capped a 48 yard march with a one yard plunge. The G-L Stars were outstanding on the devensive side all evening, allowing Lowell only three first downs and continually thwarting any time of consistent Lowell offense.

TEDDY'S & SILVER LAKE TO CLASH IN BENEFIT GAME

The Tewksbury and Wilmington Softball Leagues will participate in a benefit game this Sunday night at the Livingston St. Field in Tewksbury.

Teddy's Bears, who finished with a 20-0 record during the regular season, will represent Tewksbury, while Silver Lake Pharmacy is the Wilmington contestant. The game is listed for 8 o'clock with all contributions being donated to the Muscular Dystrophy Association.

W.R.S.L. Banquet

The Wilmington Recreation Softball League will hold its annual banquet tonight at the Tewksbury/Wilmington Elks Lodge in Tewksbury. Tickets are $5.00 per person and may be purchased from League Commissioner Jack Cushing, or any manager of a team in the W.R.S.L.

The evening will feature a buffet dinner and dancing, and will serve as an awards night. Trophies will be issued to division, league and playoff champs as well as to the most valuable player in each division.

TRACK PROGRAM IN FINAL WEEK

The Tewksbury Recreation track program will be entering its last week with a track meet at Tewksbury High School at 6:30 p.m. August 23.

Tim Niven was last week's top point getter as he won doubles by taking the cross country race and then copping the 440 yard dash. Larry Weitz won the senior cross country race which drew a large turnout.

Coach Michael Daley will also be running a fall recreation cross country meet in November.

Recreation Swim Meet & Beach Day Finals Sponsored by the Wilmington Police Association

SOCCER CLINICS

A series of soccer clinics will be held next week, Monday through Friday on the North Intermediate Field.

Those Wilmington residents eligible for registration in this annual Recreation sponsored activity must be 12 or over if female and six or over if male.

Sessions will be held Monday through Friday with boys ages six to 12 meeting at 1:00 - 3:00 daily, girls ages 12 or over meeting from 3:00 to 5:00 and boys ages 13 and over, 6:00 - 8:00.

Ralph Decker and Frank Simmons will instruct with emphasis being put on developing individual skills, knowledge and appreciation of the game and team play.

Complete Rec swim lessons

This summer, the Recreation Dept. of Wilmington successfully provided Red Cross beginner swimming lessons for over 100 children. A total of seven classes were run during a six weeks period.

The youngst3rs learned and mastered such skills as, prone glides, jelly fish floats, back floats, rythmic breathing and the crawl stroke. Their final test consisted of a jump into deep water and swimming a minimum of 15 yards.

Teacher negotiations completed

Negotiation sessions between the Wilmington School Committee and the Wilmington Teachers Association were completed on Tuesday evening, August 7th. Both sides have agreed to a two-year contract beginning September 1, 1973 and running through August 31st, 1975. The two-year agreement covers wages and working conditions for all Wilmington teachers, administrators and secretaries.

The Bachelor's degree salary schedule for all teachers in the Wilmington School System for the next two years is as follows:

1973-74 - Bachelor's Minimum $8,000 to a Maximum of $12,600 in eleven steps.

1974-75 - Bachelor's Minimum $8,300 to a Maximum of $13,300 in eleven steps.

The actual contract language is now being finalized. A meeting of the Wilmington Teachers Association for final ratification is expected in early September.

Pre-construction conference next Wednesday

Rep. Fred Cain of Wilmington announced yesterday that a pre-construction conference, on the new bridge for Route 129, by rocco's Restaurant, is to be held next Wednesday, at the office of the District Engineer, C.F. Mastretta, at 519 Appleton Street, in Arlington.

While the invitation was extended to Rep. Cain, any other parties in Wilmington who are interested in the bridge are welcome to attend.

Rosa is chairman of Industrial Commission

Frank Rosa of 28 Del Drive was elected chairman of the Wilmington Industrial Commission, in their regular meeting last Tuesday. Mr. Rosa has been a member of the commission for the past year, and is a design engineer, for a Medford firm.

Mrs. Verenice Hensey of Andover Street was elected vice chairman.

The elections were occasioned by the resignation of former chairman, Lloyd Bender.

WILMINGTON PLAYGROUND NEWS

Ronnie Colman had something to do with the appearance of Santa Claus, at the Glen Road playground Tuesday noon, and Jane Conlin was the little cabbage, with Santa. It was a surprise to the youngsters, and they all disappeared on the road to Hardin Street, singing something that might have been 'Jingle Bells'.

WOBURN STREET

In softball action, the Woburn Street Orangemen won a pair, 5-3 and 15-5, to vault into first place in both divisions. In the opener, once again Brian Sughrue was the winning pitcher. Scott Nolan, Mike and Den Moran continually backed up Brian's pitching with fine defensive play while Scott and Craig Richards belted key hits.

In the nightcap, Tim Sughrue pitched a masterful game. Al and Ray Cappadano along with Steve Mills and Brian Delfenno provided the defensive wall for the Orangemen. Todd Richards and Don McLaughlin were absolutely outstanding at the bat. If the Woburn St. boys can sweep the North next week in softball, the Orangemen will be champs in both divisions.

In hockey action, the Orangemen split, winning 1-0 and losing 1-0. In the preliminary game, Bob Magliozzi, Scott Nolan and Ted Moran banged the Wildwood boys all over the ice while Craig Richards kicked out every shot to keep the boys in first place.

In girls street hockey, Woburn Street lost a close 1-0 decision to Wildwood. The untimely goal passed goalie Lucinda Richards early in the first period. But the offensive skills of Kristin MacLellan, Chris Sughrue and the McFarland sisters prevented any further scoring.

The Woburn girls lost a 10-5 decision to Wildwood despite strong efforts by Donna Mills, Karen Meuse and Terry Sughrue.

Despite the dismal weather, the swim meet was an enjoyable event. Woburn Street gives credit to boys Timmy Sughrue, Jim Bradley, Brian Sughrue and Denny Moran for their fine second place finish. For the girls, Maureen Sughrue swept the backstroke and sisters Terry and Chris Sughrue also provided support

SHAWSHEEN

The Shawsheen playground willend the season tomorrow after its third successful year. During this year many good things and also many bad things have happened. The last week of the playground was well packed with things to do. A cookout was held on Wednesday, the games with its arch-rival Boutwell were held, and on Tuesday night, Shawsheen and the other playgrounds viewed the children's play at the high school auditorium which starred Phillip, Collett, and Diane Desharnis.

Hopefully, all the kids had fun because the leaders-Les, Bud, Pat, and Terry-certainly did have fun.

Outstanding achievement at the Shawsheen school goes to Ed Olshaw and Tina Coyne. Honorable mention was awarded to Lou and Ed Theriault; Hurley Heid, Vicky and Kim Coyne; Fred, Mary andKaren Olshaw; Bill, Karen, and Don Jenczyk; Tim and Bill Sanville; the Hurleys; Chris Taylor and Chris Peabody.

Special thanks will go to Mrs. Olshaw, Mrs. Jenczyk and Mrs. Coyne who carted off week after week five to ten screaming kids and who fed the leaders too. Thanks.

WILDWOOD

The Yellow Jackets have been busy this past week. On Tuesday, the Yellow Jackets travelled to take on the Woo-woo Woburn Street in street hockey and softball competition. In boy's softball, Woburn handed the Yellow Jackets their first loss. In the girls competition, Wildwood slid by with a 1-0 win in street hockey and a 10-5 win in softball.

Last Thursday, the Third Annual Swimming Meet was held at Silver Lake. The girls came in first place and the boys came in third. Among the first place winners were Debbie Betellho, Karen and Robin Ready, Steven Woods and Brian Armstrong. Other winners were Jimmy Knowlton, Elieen Woods, and Diane Coye.

Nancy Marden and Debbie Botello were in the play "Sunshine For the Queen", which was held in the high school auditorium Monday and Tuesday nights. Both girls put a lot of work into learning their lines and should be congradulated for their performances.

The playground will close on Friday. Many thanks to Mrs. Marsi, Mrs. Ready, Mrs. Woods, and Mrs. Pellerin for their help in transporting the kids throughout the summer.

BOUTWELL

Aug. 20-Last Tuesday, the Green Machine travelled to Glen Road. The Blue Meanies beat Boutwell in both boys softball games and in the older boys hockey game. The only consolation was winning the young boys hockey game. Four goals by Jamie Boudreau, one by his brother George, and one excellent goal by Dan Wandell, Kevin Caisa was a big factor in a goal for the machine. The girls beat the Meanies girls in hockey and tied in softball. Fine performances were turned in at the swim meet by Kim Wandell, Linda Vengren, Jamie Boudreau, Bud Vengren, Mike Pierce, Diane Pumfry and "Schultzie". The highlight of the week has been the building of Timmy the Turtle, an arts and crafts project.

HIGH

Aug. 21-In interleague play on Tuesday, the High boys completely swept everything from the North. They won Big Boys softball 12-1 and tied the Little Boys game 1-1. The Little Boys score at hockey was High 3, North 1 and the Big Boys "undefeated" team rolled over previously undefeated North Big Boys 5-0.

Goals were scored by Billy Liston (2), John Scuzoro (1), Steve LaFore (1), and Joey Simmons (1) as Bennie Scuzoro posted his third shutout of the year. Scuzoro is the youngest player on the team. He's 10.

Monday was a fun day at Silver Lake followed by a theatrical production at the commons. This new treat was a real pleasure for everyone. Wednesday was a day of preparation for the upcoming fashion show. Our beautiful models were: Colleen McLaughlin, Leslie Porter, Patty and Mary Ann Dudley, Paul Dudley and Cheryl LaFave.

GLEN ROAD

Busy things happened at the Glen Road Playground this week. "Christmas" in August was held on Monday with a giant cookout and festivities. For lunch, the children enjoyed hot dogs, potato chips, tonic, brownies, and cookies. Santa Claus (Ron Colbert) and the Giant Pumpkin (Jane Conlin) arrived on the scene with ice cold artic popsicles for the little ones. Then the group went Christmas caroling on nearby streets with Santa at the head of the parade. Alun all, it was a merry, merry summer Christmas. Thanks go to the Robarges and the Conlins for donating their grills.

Some 40 children went bowling in Reading on Wednesday. Many mothers came to the aid of Joan, Ron, and Jack and all had a great day at the alleys. In the Glen Road Finals, the scores were quite good. Tommy Carroll, 80; Brian Marchant, 42; David Driscoll, 68; Kathy Lynch, 41; Joey Colbert, 61; Sheila Longejoy, 55; Justine Kroken, 30; Elaine Blonigan, 22; and Kathleen Blonigan, 30.

The giant elephant had more work done on him this week in preparation for the exhibit. On Friday he was found praying on his knees as he got too heavy and collapsed. He'll be ready for the exhibit if all goes well.

In the Wednesday night fashion show, Ken Colbert, Sheila Longejoy, Bonnie Longejoy, Tim Robarge, and Lisa Lombard will represent Glen Road as models.

In Inter-playground competition, the Boutwell Green Machine travelled into Blue Bandit Country on Tuesday. The Glen Road Girls lost street hockey and had a tie in softball 1-1. In boys action,the senior boys won 9-2 while the juniors took another Boutwell Forfeit. This gives Glen Road another win in the Junior Division and a 5-1-0 record. In hockey, the Big Guys won their game 11-2 and the junior boys broke a winning streak by losing 6-5.

IMAGINE HAVING 37 FOR SUPPER! That,s what happened at the McNeely house, on High Street, last weekend, - and they stayed all night, too. Some slept in the house, some in a trailmobile, and some in a tent on the side lawn.

Mr and Mrs James McNeely, of Washington, Maine, are seated in the center.

Ammong those who are standing are the hosts, Mr and Mrs Ken McNeely, Mr and Mrs Robert McNeely of Mississippi, Mr and Mrs Fred Clark (and family) from Connecticut, Mr and Mrs Robert Farrell (and family) from Washington, Maine, and Mrs Ruby Goldent (and family) from West Rockport, Maine.

(Hint: This Rebus is usually found hanging over a fireplace.)

We think you'll enjoy the challenge of finding the message contained in this famous Olde English Rebus. It's really quite clever and has stumped people all over the world. Once you get it, you'll have lots of fun with your friends as they struggle to interpret the symbols found in the Rebus. If you can't figure it out on your own, we'll gladly provide you with the complete translation together with a beautiful 8 X 10 inch reproduction of the Rebus which is suitable for framing. BOTH ARE ABSOLUTELY FREE. Just stop by our showroom on Main Street in Reading and ask any of our employees for your FREE Rebus translation and reproduction. You'll be under NO OBLIGATION to buy anything. Why this free, no-obligation offer? Well, we hope that someday you may want to buy a DATSUN. And when that day comes, we hope this Rebus will help you remember *who* we are and *where* we are. It's that simple.
